Our Strength

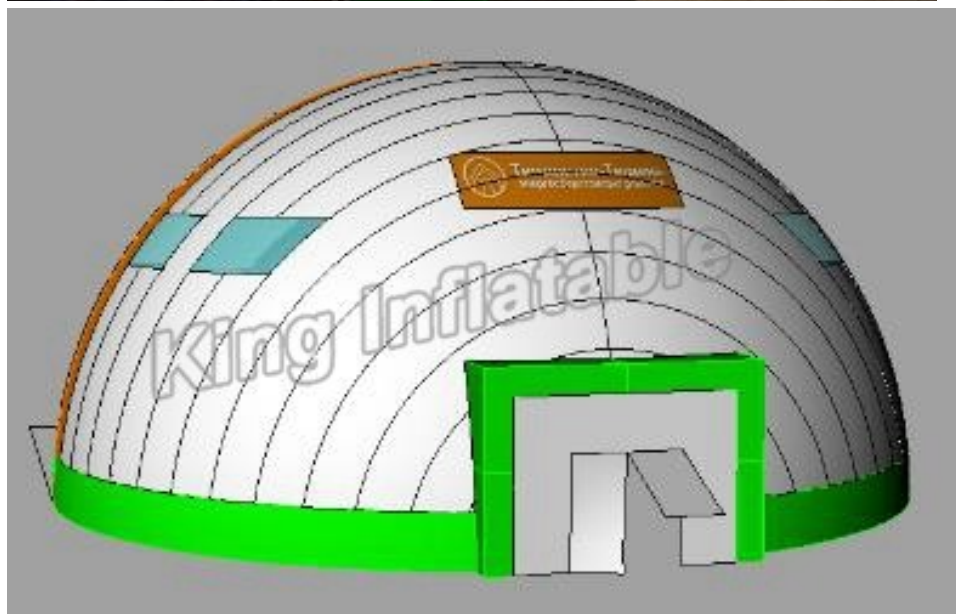

1. All the inflatable products we use is the PVC tarpaulin from Plato.
2. The zipper we use is the best quality Janpan YKK zipper, much more durable and stronger than the normal zipper some other supplier use.
3. The workers in our factory has over 6 years experiece, so they can make the goods perfect.

Note: All the size and the design are changeable as customer's requirement. Welcome to enquiry us, we will give you the most prefessional answers on time.

Quality Control

1. Double stitching throughout the unit with triple stitching.
2. Quadruple stitching in key areas inside the base of the unit
3. Extra webbing reinforced strip on all the stress points and interior panels
