#### Details :

1. The Cartoon and slide arrouned is made of 0.55 PVC,PVC Tarpaulin itself contains 3 layers , double sides coated with a strong net inside , it is so strong that you can't tear it off .
2. The swimming pool is in air tight system, so we made of 0.9mm PVC to keep it in airtight.
3. System : it cover airtight and continuous inflation system, so we need both air pump and blower to blow it.
4. Warranty : This inflatable water park will be guaranteed for 2 years , in this warranty period , If there are any quality problems , we would take full responsibility for getting it re-worked , if failed , we promise to make a new one for you .
5. All our products are OEM . Different model , size , color , logo can be customized .
- 6.Payment Term
  - We accept TT,West Union,Paypal and Cash.
  - Usually, clients need pay 50% deposit in advance the balance shall be paid before shipping

#### Advantages :

1. All our materials are purchased from Plato factory, all in very good quality, We can send you some materials for your testing .
2. Welded strongly with high temperature machine and some exprienced workers . Besides , reinforced a extra strip on all seams , stronger and more durable .
3. Intalling reducing pressure valve . When your temperature is very high to some extent , this reducing presure valve will make the product deflated automatically , in case of the product would blast because of the high temperature .
4. Strong D rings and handles , it is very difficult to tear them off .

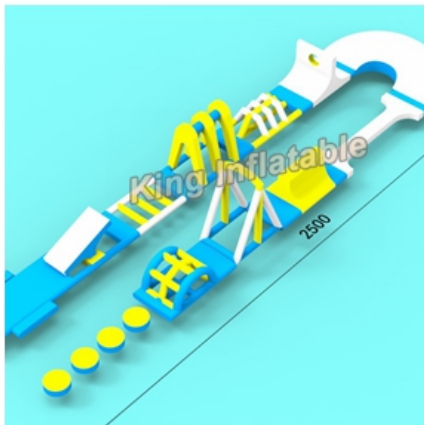

#### Payment Term/Delivery/Shipment

- We accept TT,West Union,Paypal and Cash.
- Usually, clients need pay 50% deposit in advance the balance shall be paid before shipping
