Introduction:

This is the new product of our company is the large. This product is a popular animated cartoon "bear haunt" as the theme, with three vivid cartoon model, loved by children. It has three pools, and the size is very large, to ensure the safety of the same time to allow more children to play.

Three pools are separated and use high temperature to built, the use of 0.9mm PVC material, high temperature machine heat from processing, air tightness is very good, to ensure that will not leak. There are three slides on the edge of the pool, with 0.55mm PVC tarpaulin I, those slides are inflatable, need to use the fan constantly blowing.

You can add some water polo, drum and other small toys, so the kids will love it more.

The durable PVC tarpaulin can made it keep used in 2~3 year.
