Indroduction:

This slide is very large and divided into four parts, the slides and cartoon around the pool is three parts, and the pool is one part itself. Each part is apart from each other, with the D rings to connect, and is divided into two systems, the slide is inflating system, gas pool is separate systems. To use inflatable fan and pump two kinds of equipment products, so we will be equipped with these two kinds of equipment for you, and teach you how to use.

Applications:

- 1, Water proof and fire resistant, can be used in both rainy and sunny days.
- 2, Player climb to the top and jump to the water, or chase arrounds,
- 3, about 100 people can play at the same time.
- 4, Any sizes, shapes/designs, colors can be customized according to your requirements.
- 5, Inflatable Water Parks Iceberg For Lake / Swimming Pools Amusement can be widely used in summer water park, man-made small river, and water game parks, sun cold paradise amusement water park, for outdoor use, rental or resell business.

Advantages:

- 1, strong and good sealing. For the sealed water game, it is very important for the welding well. We have advanced welding machine and the best workers in inflatable industry.
- 2, many colors available, and good printed can be customized, Digital print, silk print, or hand painting. The high level painting makes our product will not be sticky and color fade, but sustain a long time. And it print quickly and in good quality. Further more, we make a liquid protecting film on the surface of digital printing.
- 3, durable, 3-5 years usage life span, We use best 0.9mm or 0.65mm PVC tarpaulin for water games. the best material is very important for the games. All inflatable games of King inflatable are made by high durability fire-retardant PVC Tarpaulin, which has 3 layers, two coated side with a strong net inside. The flame retardant meet BS7837. Our material has improved by the SGS.
- 4, every products will be tested before delivery.
- 5, safe, CE, EN71, SGS, EN14960 certifications.
- 6, easy to assemble, to move, to pack.
- 7, once broken, it's easy to repair and work again.
- 8, Fasion design make it more attractive.

Our Services

1. We control our quality strictly. The material for our inflatable is 18oz pvc coated fire retardant tarpaulin, which is known for it's durability, tear strength, and long lasting quality.
 2. Double stitching throughout the unit with triple stitching and quadruple stitching in key areas inside the base of the unit. We use extra webbing reinforced strip on all the stress points and interior panels.
 3. We test each product to ensure the toys seamed exactly well before shipping.
- Also we can as per your requirement to make.
