Descriptions :

1. **Pool material:** Plato 0.9mm PVC tarpaulin and Water slide material : Plato 0.55mm PVC tarpaulin
PVC Tarpaulin consists of 3 layers with a strong net inside , this kind of material is very strong and durable , it is very difficult for people to tear it off .Generally , for PVC Tarpaulin material , there are several regular thickness as follows : 0.4mm , 0.45mm , 0.55mm , 0.65mm and 0.9mm . 0.4-0.55mm in thickness will be used to produce blower stitching products ; 0.65mm and 0.9mm will be used to produce airtight welding products .

2. **Composition:** This set of water park is made up of 1 big pool plus 3 water slides .
the pool section is airtight system products which would be welded by hot air with high temperature machine , It only needs to be inflated one time with air pump connecting electricity power .3 water slides are constant blower system products which would be stitched by sewing machine , It needs to be constantly inflated with blowers connecting electricity power .

3. **Capacity:** This set of inflatable water park need to be placed on flat land , it is very big , it can accomodate about 80-100

people to play in the pool .

5. **Accessories** : it needs 3 blowers and 1 air pump to inflate , blowers would be used to inflate the water slides , air pumps would be used to inflate the pool . They need to connect the electricity power to start the inflation .

6. **Blowers** : Volt - 220-240V(CE) 110-115V(UL) Power - 330w , 450w , 680w ,750w , 1100w and 1500w .

For 3 water slides , we will send you 3 sets 1500w blowers

Air pumps : Volt - 220-240V(CE) 110-115V(UL) Power - 800w and 1200w

For the big pool , we will send you one set 1200w air pump

7. **Payment terms** :50% deposits to let the order started and 50% balance when the products are finished You can make the payment by TT , alibaba , western union , moneygram or Paypal .

8. **Warranty** : 2 years . Within warranty period , if there are any quality problem , our company will try our best to get it re-worked ; if failed , we promise to make a new one for you .

9. **Test** : after your products are finished , if you can't come to test the quality yourself , we will take some high resolution pictures for your confirmation , if ok , then you can pay the balance .

10. **Shipment** : There are generally 3 kinds of shipping way , by express , by plane and by sea . This set of water park is very heavy ,shipping by sea is the best choice .

11. OEM & ODM can be accepted , pls let us know your specific requirements .
