#### Details :

1. The water park is airtight products, which is inflated by air pump only one time. Its material is 0.9mm PVC Tarpaulin which is from Plato factory. PVC Tarpaulin itself contains 3 layers, double sides coated with a strong net inside, it is so strong that you can't tear it off.
2. Giant Inflatable Water Park : It contains 32 pieces in total, including trampoline, beam, base and wiggle bridge, etc. Not only children but also adults can have a very good fun.
3. System : This Giant Inflatable Water Park is normally with 2-3 pcs air pump. This air pump is with high quality, enough power.
4. Warranty : This Giant Inflatable Water Park will be guaranteed for 2 years, in this warranty period, if there are any quality problems, we would take full responsibility for getting it re-worked, if failed, we promise to make a new one for you.

#### Advantages :

1. We add reinforcement strips for all our products, so the items have good airtightness and more durable.
2. We install high quality air relief valve made in our water parks, so the items can release air to a safety level automatically when it's getting hot in the noon.
3. For parts like anchor rings and handles, we use the big high frequency welding machine to weld on the products instead of glue on by hand. The parts and the main body are fused together so the quality is very stable and will not peel off.
4. Stable Connection System. Bounce created originally eyelet connection system and anchor ring connection system which make the whole park very stable.

#### FAQ:

1. Is it fire retardant ?  
Yes, our material is fire retardant and waterproof, if you have other special request, such as resist UV, Meet NFPA 701 standard etc. It also okay for us and we will purchase material accordingly, but price will more expensive.
2. Did it can resist strong wind ?  
Yes, at first the big tent weight is heavy, not easy to blow down or blow away. Meanwhile there are many D-ring on the bottom and top for you to fix. Next our design meet the gas flow mechanics.
3. The size is big / same, not suitable for me. Could we can customize?  
It is no problem. It can be customized according to your requirements, such as size, logo, color, printing etc. Of course, if you do not like the style please send your ideas to us, then we will design a new 3D model to you according to your ideas.
4. Could I ship it by myself / Could you can help us to ship?  
Yes. If you have forwarding agent in China, we will assist your agent to ship. If you have no forwarding agent, we can help you to ship. The best ship way is by sea, transportation time about 15-40 days according to different country. If urgent, by air is okay.
