Single product name	Quantities	Size
swimming pool	1	10*10*0.65m diameter
water slide	1	7*7m

#### Details :

1. This water park consists of two different part, swimming pool and water slide. swimming pool is airtight products which need to be inflated by air pump only one time, water slide is inflatable products which need to be inflated by blower constantly.
2. The swimming pool material is 0.9mm PVC Tarpauline and water slide is 0.55mm PVC Tarpauline, both are from Plato factory which are reliable not easy to tear off.
3. System : There are two different type of air pump and blower, one is with 50HZ/220V, another is 60HZ/110V, different country different frequency different voltage.
4. Payment Terms: 50% deposit to let the order started and 50% balance when goods be finished. We can accepts many payment terms, for example, TT, LC, PAYPAL, WESTERN UNION, MONEY GRAM, ect.
5. Prepare the anchor, like tire anchor, barrel anchor, or metal bucket, ect.

#### Applications :

You can put this water park on the seaside or land to run business. Firstly you inflat the pool by air pump, secondly you inflate the water slide by blower, thirdly combine thsese two together is ok. When to inflate the game items, take water games items from packing bags and pave the mat or put it on grass to avoid scratching. By the way, please keep in mind, don't inflate full air for the products, fist cave in the inflatables 2-4cm will be better.

#### Advantages :

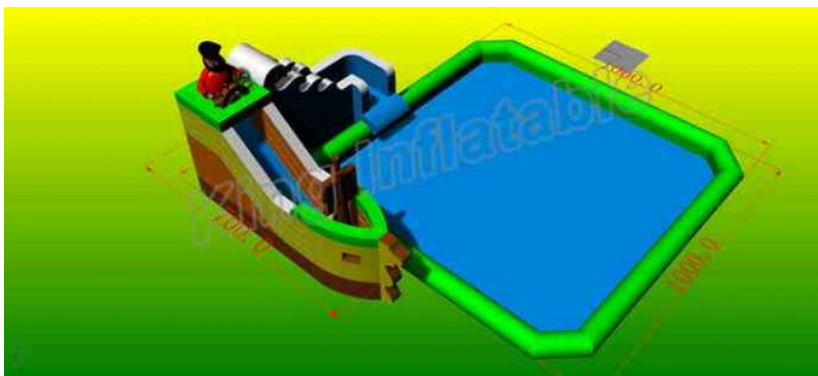

- 1.D-ring for water park is very special design, it is with PVC Tarpauline inside and outside, which is very strong, not easy to drop off.
- 2.We will make reinforce for each water park items, so that stress uniformly.
3. We will make the relief valve specially for water park, our relief valve is very good quality not easy to broken.
- 4.Normally the connction is 2meter. we can also do other sizes if you want.
- 5.Our workers is with more than 10 years experience, they are very professional. You don't need to worry about the workshop.
- 6.About service, we will give you a good suggestion to run a project. We believe that we are customer's hornest friend.
