Single product name	Quantities	Size
swiming pool	1	90*60*1.3m
water slide	1	18*6m

Details :

- 1) **Reinforcement**. We make reinforcements at every weak points like welding seams, inside baffles, conner, ect. The height of frame pool is normally 1.3meter, inside colour is light blue and outside colour is dar blue, this material is 0.9mm PVC Tarpauline special for frame pool.
- 2) **Durable anchor ring**. For anchor ring, we use 316 stainless steel material which last longer than other metal in water.
- 3) **Durable parts**. All our parts like handles, anchor rings are welded instead of glue, it's not easy to peel off. About D-ring, we will make PVC Tarpauline inside and outside, which is very strong.
- 4) **Stable Connection System**. Bouncia created original eyelet connection and anchor ring connection system which make the whole park very stable.
- 5) **Shippng way**: by sea, air or express, for water park, we suggest water park ship by sea to save shipping cost.
- 6) We accept different payment ways, like TT, Western Union, Money Gram, ect.
- 7) We will produce the water park for you within 10days after getting deposit. Before delivery, we will also send the products photos to you to confirm.
- 8) We will give you 2 year warranty for water park, besides, we will offer some repair kits and glue to you.

7. fast delivery, owning many hot inflatables in stock to meet customer's urgent demands
8. self-owned brand and independent manufacturer.
9. Good after service

FAQ:

1 Is it fire retardant ?

Yes ,our material is fire retardant and waterproof, if you have other special request, such as resist UV, Meet NFPA 701

standard etc. It also okay for us and we will purchase material accordingly, but price will more expensive.

2 Did it can resist strong wind ?

Yes,at frist the big tent weight is heavy,not easy to blow down or blow away.meanwhile there are many D-ring on the bottom and top for you to fix.Next our design meet the gas flow mechanics

3 The size is big /same,not suitable for me.could we can customize?

It is no problem. It can be customized according to your requirements, such as size, logo, color, printing etc. Of course, if you do not like the style please send your ideas to us, then we will design a new 3D model to you according to your ideas.

4 could I ship it by myself / Could you can help us to ship?

Yes.If you have forwarding agent in China, we will assist your agent to ship. If you have no forwarding agent, we can help you to ship. The best ship way is by sea, transportation time about 15-40 days according to different country. If urgent, by air is okay.
