#### **FAQ:**

Q1: Can we use the blower in our country?

A1: Yes, you can. The plug can be customized. And our blower complys with UL or CE.

Q2: How to clean the inflatables?

A2: Just use soap and water, no solvents. And dry it before store.

Q3: How can you guarantee the quality?

A3: Every piece of inflatable product will be inspected strictly before shipping.

Q4: How soon do we get the inflatable?

A4: 15~20 days for the production, and the shipping takes from 5 days to 40 days.

Q5: Where can we place the inflatable products.

A5: Backyard, beaches, any flat surface without sharp object.

Q6: What is the print process ?

A6: All tents can be custom printed to your creative specification.

provide us your artwork on AI or CDR or PS coform, we will draw a 3D design for you to confirm before production

Q7: What size and what kind of tent should i choose?

A7: To figure out the most suitable measurement for your case, we need below information:

-how many people you want to fit in the tent, is there anything else (like table, stage, chair, ect.)

-the usage of the tent (what kind of event, day or night)

-located ( available area measurement, indoor or outdoor)

- your budget, we can recommend the suitable material, design and size according to this request)
