FAQ:

Q1: Can you make customized tent ?

Yes, OEM and ODM orders are available by our experienced engineers.

Q2:What kinds of tent can you produce?

We are the leading tent manufacturer in China and produce different sizes of tents.

Q4:Do you provide installation guidance?

Yes, trial assembly is arranged before loading to secure the quality. English instruction manual and video will be provided by us after goods loading. If requested, assembles supervisor is also available from CUCKOO TENT.

Q5:What's the production lead-time before loading time?

7-15 days ex-factory against receipt of deposit.

If urgent order, can be finished within one week according to our material stock situation.

Q6: What is the print process ?

All tents can be custom printed to your creative specification.

provide us your artwork on AI or CDR or PS coform, we will draw a 3D design for you to confirm before production

Q7: What size and what kind of tent should i choose?

To figure out the most suitable measurement for your case, we need below information:

- how many people you want to fit in the tent, is there anything else (like table stage,chair,ect.)
- the usage of the tent (what kind of event, day or night)
- located (available area measurement, indoor or outdoor)
- your budget, we can recommend the suitable material, design and size according to this request)
