Product Description

Red PVC Tarpauline Inflatable Tent Igloo For Exhibition,Events

The material of inflatable tent is PVC Tarpaulin, rip stop nylon, transparent PVC or TPU. They are all flame retardant and waterproof. We can make inflatable marquee by two kinds of workmanship. One is sewing that specializes in the production of continuous inflatable tent with blower. And the other is hot welding, which specializes in producing airtight tent. If you like our tents, please tell us the person number you want to contain, the status of the site and the usage. And then we will suggest you the most suitable style, size and material. Of course, also we can make outdoor inflatable tent completely as your requirements (design, size and colors).
