Packaging:

A. We will pack the Inflatables by strong tarpaulin bag, it is durable enough, so that your goods will not be frazzled during delivery process. In order to let you find your goods quickly, we will print our company's logo on the packing bags.

B. Will pack Blower by carton, suitable for exporting, same as the inflatables, will make a remark on the carton for you find them quickly.

FAQ:

Q: Can you custom make a design?

A: Yes. You can choose a similar design from our catalogue or send your own ideas with detail requirements to us, and then we will design the special product according to your ideas to you.

Q: What Material?

A: durable 0.65/0.9mm PVC.

Q: How to inflate?

A: Can be inflated by electric air pumps. It usually takes minutes to inflate per piece depending on design.

Q: Can print our logo on products?

A: Yes. You may send us high resolution artwork in JPG, PDF, AI or PSD.

Q: What happens if it's punctured?

A: The damage can be repaired simply by our repair kit (material patches and glue) or by welding machine if necessary.
